

Fifteenth Sunday in Ordinary Time ~ JULY 10, 2016

Praise God
with all
your Heart

Sunday Scripture Meditation:

Deuteronomy 30:10-14; Colossians 1:15-20; Luke 10:25-37

When you stop to take care of someone, to suffer with them, you are doing far more than offering human kindness. You are becoming a vessel for Christ. Repeatedly Jesus had compassion for the sick. Now He is telling all of us, "Go and do likewise."

Defending Our Religious Liberty #228

Under the new health care reform law, the federal government demands that almost all health plans fully cover female sterilization and drugs and devices that prevent pregnancy, including those that can cause an early abortion. Why should religious institutions be forced to pay for procedures that go against their moral principles? *If you haven't done so already, please voice your opposition to the federal health care mandate by calling U.S. Secretary of Health and Human Services Sylvia Mathews Burwell at 202-205-5445, and your elected representatives. Let them know that the mandate is in violation of our First Amendment right to religious freedom. If you have called, call again, our representatives need to pay attention.*

During this Extraordinary Jubilee of Mercy,

Bishop Frank J. Caggiano has worked with diocesan pastors and priests to open Centers of Mercy throughout Fairfield County.
